

## TEEC INTERACTIVE ONLINE IELTS COURSE

Specifically designed to quickly **INCREASE STUDENTS' SKILLS** in listening, reading, writing and speaking for the IELTS EXAMINATION.

- The Course is written by qualified English teachers and examiners.
- Students can spend up to 3 months (*or longer if required*) thoroughly preparing themselves for the IELTS test by studying from the 101 lessons included.
- DVD with over 2 GB of multimedia material for use with the Course
- Click on the buttons, view the 100+ videos, listen to the hundreds of audio files, and instantly check your answers to questions with the many suggestions.
- Save answers to various selected tasks for your tutor.

The screenshot displays the course interface for Lesson 3, 'INCREASE YOUR PERSONAL SPEED'. It features a progress bar at the top, a 'SIDE MENU' on the left, and a main content area with a video player, a text exercise titled 'BE KIND TO YOURSELF', and a 'tip' box. The exercise includes a reading passage and multiple-choice questions. A 'RESET disk' icon is also present.

### The Course features:

- 101 lessons each with a video instruction, audio files, tips and tapescripts.
- Hundreds of exercises in Listening, Reading, Writing and Speaking with instant answers.
- 6 full practice tests with answers.
- Comprehensive advice taking in all aspects of the IELTS examination
- Notepad with full printout capability
- Appendix of useful IELTS information

And much more...
